Interviews: Each applicant will have a total of three interviews with three different Selection Committee panels. Schedule attached and also available at Media Room on March 13, 2017.

One-on-One Meetings PI and Applicants: In addition to the assigned 3 PI interviews of choice, there are 30 minute slots available for applicants sign-up to talk with other PIs. Each PI has indicated the specific times when available to applicants. Sign-up sheet available at Media Room on March 13, 2017.

IMPRS Lounge – Service Point

IMPRS Lounge (Media Room, A.UG.1.2.01) is where you will be able to relax between interviews and meet with PIs, other applicants, and students. WiFi as well as light refreshments will be available throughout the day. You'll also find a kicker and ping-pong table to work off some energy! Toilets are nearby.

Service Point set-up outside the Media Room to assist with your movement into the restricted areas of the building and help with any other concerns.

- In addition to providing escort service, Helen Schaefer and Felicitas van Rey will be available on Monday to answer questions as well as to provide local information.
- The IMPRS Coordinator Denise Butler will be available at specified times to assist with travel reimbursements and other issues.
- Stefan Hartmann of the caesar Public Affairs office has planned a tour of the caesar lab space and info sessions about the research being done at caesar. Details will be available at the Service Point.

Café Max (Room A.OG.1.2.03) is an open space lounge extending over two floors with comfortable seating areas, WiFi and computers, as well as magazines and newspapers. You can purchase (euros) specialty coffee, sandwiches, and light snacks.
